

AFFIDAVIT

I, the undersigned, James M. Mims, President of The International Federation of Professional Ocean Swimmers and Divers, of 4301 N. Federal Highway, Pompano, Florida 33064, disposes, sayeth and swear as follows:

On July 11 - 13, 1978, I, James M. Mims, witnessed and authenticated the international historic "Swim for Peace" of Walter Poenisch from Havana, Cuba to Little Duck Key, Florida, U. S. A., a distance of 128.8 miles in 34 hours and 15 minutes. My responsibility was to constantly observe Walter Poenisch swimming and to see that he adhered to the rules of The International Federation of Professional Ocean Swimmers and Divers and Walter Poenisch did abide by the rules. In 1978, at the time Walter Poenisch made his swim, The International Federation of Professional Ocean Swimmers and Divers was the only organization that had any rules for the making of solo swims in the area of water between Cuba and Florida. Everything that occurred during the swim was logged.

BEFORE ME, the undersigned authority, personally appeared James M. Mims, who has read the foregoing statement and swears it to be true.
